COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Responsive to the Notice of Allowance mail date February 3, 2012 and the Examiner's Statement of Reasons for Allowance, Applicants agree with the Examiner's conclusions regarding patentability of the allowed claims, without necessarily agreeing with or acquiescing in the Examiner's reasoning. In particular, Applicants believe that the application is allowable because the prior art fails to teach, anticipate or render obvious the invention as claimed, independent of how the invention is paraphrased.

Respectfully submitted,

Robert Alan Cochran et al
